INTERNATIONAL COOPERATION ADMINISTRATION

OFFICE OF THE DIRECTOR

Washington 25, D. C.

JUN 18 1957

Honorable Allen Dulles, Director
Central Intelligence Agency
Washington 25, D. C.

Dear Allen:

25X1 [redacted] has now completed his detail to my staff and has returned to CIA. I want you to know of my deep appreciation for his services and of the splendid contribution he has made to the work of this agency.

25X1 You will recall that when [redacted] was made available to me in November 1956, the Overseas Internal Security Program had been found to be in need of immediate and concentrated attention. I concluded that it was essential to have a small but highly proficient group of professionally competent persons to give me the assistance needed to bring order and accomplishment into the program.

25X1 As matters developed, that was the right thing to do. At our request, [redacted] was made available immediately. Due to his remarkable background and his professional ability, he quickly demonstrated the wisdom in his having been selected. [redacted] has earned a large share of the credit for the success that has been achieved in this program during the past several months.

25X1

Yours very sincerely,
